

# ERICA BROOKS HINCHMAN

## FULL-STACK DEVELOPER

404.234.3528 | erica.hinchman@gmail.com

### DEVELOPMENT PROFILE

I am a creatively inspired, logically driven full-stack developer seeking an opportunity to utilize my front-and back-end skills in a boutique setting. Passionate, resourceful and dedicated, I am eager to help realize clients' development dreams by combining my strong coding skills with my creative spirit. Combining smart thinking and analytical skills with well-honed communications ones, I stand out in the field as a talented developer and communications professional as well.

### MORE ABOUT ME

I like to think of myself as an amateur chef, dedicating free time to continuing my education – both in practice and awareness – always keeping a finger on the city's culinary pulse
